

RAJAT KHOSLA

Senior Marketing Strategist & Operations Leader | B2B & B2C | Digital Marketing Expert
London, UK • +44 (0)7825 299481 • rajatkhosla21@gmail.com

PROFESSIONAL SUMMARY

Marketing leader with 17+ years of experience driving product marketing, go-to-market strategy, portfolio growth, and commercial transformation across B2B and B2C markets. Proven track record of partnering with executive leadership, product management, sales, and regional teams to launch products, strengthen market positioning, accelerate customer adoption, and drive revenue growth across international markets.

Experienced in translating customer insights into commercial strategies, building cross-functional alignment, and leading complex marketing initiatives across Europe and Asia. Skilled at connecting product strategy with customer value propositions, commercial execution, and long-term business growth.

KEY ACHIEVEMENTS

- ▶ **Consumer & Strategic Insight:** Led end-to-end VoC research, market testing, and competitive analysis — translating consumer intelligence into go-to-market positioning across trade and B2C, in forming EUROPEAN-level planning.
- ▶ **Budget Ownership & AOP:** £5M+ annual budget managed across TV, OOH, print, digital, and BTL — full agency management, ROI accountability, and strategic resource planning across seasonal cycles.
- ▶ **Cross-Functional Alignment:** Operated as connective tissue across product, commercial, and marketing functions — leading seasonal concept briefings, NPI toolkits, and stakeholder-ready presentations for senior leadership.
- ▶ **Omnichannel Operations:** Delivered fully integrated campaigns across 5,500+ retail doors and digital channels, generating +5% incremental revenue while maintaining brand consistency at every consumer touchpoint.
- ▶ **Stakeholder Engagement:** Four-time Bravo Award winner at Honeywell — recognised for cross-functional marketing excellence and VP-level stakeholder engagement across European markets.
- ▶ **E-Commerce Growth:** +25% revenue growth on Amazon Vendor Central through full ownership of content, listings, and sponsored advertising — blending consumer insight with operational execution.

WORK EXPERIENCE

PIP UK Safety (formerly Honeywell Safety UK) | Senior Marketing Specialist – Europe | Mar 2022 – Present

Led product marketing and go-to-market strategy for Safety Footwear portfolio across Europe, alongwith supporting a \$60M UKI & Nordics PPE business.

- Led product marketing and commercialization initiatives across European markets, partnering with commercial leadership, product management, and regional stakeholders to strengthen market positioning, accelerate adoption, and support portfolio growth.
- Directed European demand generation strategy for the global Safety Footwear portfolio supporting approximately **\$30M annual revenue**, aligning customer insights, product positioning, and channel activation to drive commercial performance.
- Defined go-to-market strategies, launch frameworks, customer messaging, and sales enablement programs for new product introductions and portfolio expansion initiatives across multiple markets.
- Led Voice of Customer (VoC), competitive intelligence, and market analysis initiatives, translating customer needs and market trends into actionable recommendations for product strategy, positioning, and commercial execution.
- Developed integrated Salesforce and Marketo-based lead generation and nurture programs supporting pipeline growth, customer engagement, and sales conversion objectives across distributor and enterprise customer segments.
- Managed distributor activation, channel marketing, and commercial enablement programs designed to improve customer adoption, increase portfolio penetration, and strengthen regional growth performance.
- Delivered **25% e-commerce revenue growth** through optimization of Amazon Vendor Central strategy, digital merchandising, content architecture, and customer journey improvements.
- Represented the portfolio through executive presentations, customer engagements, trade events, and thought-leadership initiatives, translating technical product capabilities into compelling customer value propositions.

Bata India Ltd. | Senior Manager – Retail Marketing & Visual Merchandising | Aug 2017 – Sep 2021

Led omnichannel marketing strategy and operations for one of India's largest footwear retailers — bridging brand strategy with in-store execution at national scale.

- Developed and executed omnichannel seasonal concept maps connecting 3,500+ stores with digital channels — generating +5% incremental revenue and improving consumer conversion.
- Owned POS, visual merchandising toolkits, and in-store campaign activation deployed nationally; maintained brand consistency across all packaging and consumer touchpoints.
- Launched premium sneaker concept store and WhatsApp B2C virtual store — expanding brand reach with consumer-first, innovative thinking.
- Managed creative, digital, and production agencies; briefed and aligned teams across complex seasonal workstreams, embedding brand standards throughout.

Cheil India (Samsung) | Associate Account Director | Aug 2016 – Jul 2017

- Led retail brand activation for Samsung Mobiles — POS, in-store merchandising, and trade account toolkits across multi-brand formats; managed multi-channel campaigns and vendor negotiations.

Relaxo Footwear Ltd. | Assistant Manager – Marketing | Jan 2014 – Jul 2016

- Managed £1M regional budget across TV, print, and BTL; launched trade dealer activation expanding distribution to 50,000+ stockists with full agency and ROI accountability.

Earlier Career (Skullcandy, Fenda Audio, Solar India Online) | 2007 – 2013

- P&L ownership of Skullcandy e-commerce — +20% YoY for 3 consecutive years. Brand building via experiential, social, and ambassador marketing. Earlier roles: digital marketing, SEO/PPC, and market entry strategy.
